Box 2.3					
How Organisms Get Energy	550	producer, consumer, decomposer	decay, fungus, nutrient, photosynthesis, balance, convert, predator, scavenger	United States map, Mexico, Canada, bodies of water, states, title, compass, legend, forest areas	X
Dorothea Lange	550	Dorothea Lange, impact, Dust Bowl, migration	contract, limp, studio, local, report, pose, encounter, deny	United States map, Mexico, Canada, bodies of water, states, title, compass, legend	X
Inventors	560	invention, Thomas Edison, modern, Apple	credit, crank, etch, groove, compete, profit, traditional, access	United States map, Mexico, Canada, bodies of water, states, title, compass, legend	X
Movement of the Earth	580	Earth, seasons, shadows	support, surface, revolve, magnetic, notice, decision, mysterious, location	map of solar system, title, labels	X
Making a Quilt	590	quilt, design	Fabric, thread, piecing, batting	Chart of steps for making a quilt	
The Golden State	590	California, golden, Hollywood, gold rush	crop, desert, poppy, temperature, factory, nature, produce, seaport	United States map, Mexico, Canada, bodies of water, states, title, compass, legend	X
John Steinbeck	590	John Steinbeck, entertainment	struggle, ruin, cannery, sardine, novel, feud, humble, delve	United States map, Mexico, Canada, bodies of water, states, title, compass, legend	X
Laws and Rules	600	rule, law, court	state, Constitution, fair, traffic, judge, jury, lawyer, jail	United States map, Mexico, Canada, bodies of water, states, title, compass, legend	X

EMBEDDED MINI-LESSONS

Titles	Lexile	HFW Work	Fluency	Text Structure	Text Features	Strategy	Skills
		<i>Fry's 1000 Instant Word groups*</i>	<i>Choral, partner, independent read</i>	<i>Primary structure used by the author</i>	<i>Identify and explain how they clarify or add to text</i>	<i>Comprehension strategies</i>	<i>Direct instruction</i>
Box 2.1							
Rain Forest	320	Group 10 Words (226-250)	X	Topic and Details	diagram, map	Questioning	Prefixes/Suffixes Root words
Family Tree	420	Group 10 Words (226-250)	X	Topic and Details		Connecting	VCCV syllabication
Life of a Butterfly	430	Group 11 Words (251-275)	X	Sequence	diagram, map	Visualizing	Prefixes/Suffixes Root words
Fu Fu and the Earthquake	430	Group 11 Words (251-275)	X	Story Structure	Using illustrations to predict	Visualizing	Compound words
Prehistoric Animals	460	Group 12 Words (276-300)	X	Compare and Contrast	map	Visualizing	Inference
Freedom Landmarks	480	Group 12 Words (276-300)	X	Topic and Details	map	Visualizing	Fact/Opinion
Solid, Liquid, Gas	480	Group 13 Words (301-325)	X	Topic and Details	illustrations in text	Questioning	Prefixes/Suffixes Root words
Stored Energy	490	Group 13 Words (301-325)	X	Sequence	chart, diagram	Questioning	Prefixes/Suffixes Root words

**High frequency word groups align to Fry's 1000 Instant Words groups (25 words/group).*

ACTIVITIES

Titles	Lexile	Geography	Vocabulary	Text Structure (TS)	Summary Paragraph	Procedural Text - Extensions
		<i>Complete and label parts of a map</i>	<i>Graphic organizer for the Tier 2 and 3 words</i>	<i>Graphic organizer for text structure mini-lessons</i>	<i>Use TS graphic organizer, word table, frame</i>	<i>Work cooperatively to complete simple project</i>
Box 2.1						
Rain Forest	320	U.S. map	climate, level, protect, cure	Topic/Detail	X	Make your own rainforest trees
Family Tree	420	Neighborhood	adopt, interview, trunk, branch	Topic/Detail	X	Make a family tree
Life of a Butterfly	430	World map	stage, insect, magnifying glass, migrate	Sequence	X	Taking care of a caterpillar
Fu Fu and the Earthquake	430	World map	panda, caretaker, landslide, damage	Story Structure	x	Draw Fu Fu in his panda preserve. Write about him.
Prehistoric Animals	460	World map (Pangaea)	drift, fossil, rule, continent, spine, evolve, shout, sleek	compare/contrast	X	How to be a fossil hunter
Freedom Landmarks	480	U.S. map	freedom, protect, crown, torch, capital, liberty, chamber, damage	Topic/Detail	X	Pack a suitcase with 5 items to take to another country. Explain
Solid, Liquid, Gas	480	Globe	volume, container, measure, expand, bond, melt, evaporate, water vapor	Topic/Detail	X	Draw two kinds of matter. Explain how to change states.
Stored Energy	490	Town	battery, cycle, gasoline, measure, collect, gadget, landfill, pollute	Sequence	X	Invent a machine or gadget

ACTIVITIES

Titles	Lexile	Geography	Vocabulary	Text Structure (TS)	Summary Paragraph	Procedural Text - Extensions
		<i>Complete and label parts of a map</i>	<i>Graphic organizer for the Tier 2 and 3 words</i>	<i>Graphic organizer for text structure mini-lessons</i>	<i>Use TS graphic organizer, word table, frame</i>	<i>Work cooperatively to complete simple project</i>
Box 2.2						
Fossils	500	U.S. map	rot, footprint, tap, examine	Topic/Detail	x	Digging for chocolate chip fossils
Roller Coaster	510	Amusement park	enough, excitement, tease, loudspeaker	Story Structure	x	Draw and write about favorite part of story
Nikko's Adventure	510	Playground	adventure, jungle gym, armor, dragon	Story Structure	x	Draw and write about Nikko having an adventure
Martin Luther King, Jr.	520	U.S. map	graduate, illegal, minister, separate, decision, justice, oppose, refuse	Sequence	x	Make your own medal
Stars	520	Constellations	dim, pattern, hemisphere, vanish, magnify, faint, limit, install	Compare and contrast	x	Stargazing: Find the North Star
Three Billy Goats	520	Hillside and meadow	troll, clever, snarl, delicious	Story Structure	x	Draw and write about favorite part of story
Pablo's New Guitar	530	Concert hall	musician, instrument, remind, introduce	Story Structure	x	Draw and write about a music band
Abraham Lincoln	550	U.S. map	operate, successful, court, respect, declare, aggressive, general, surrender	Cause and effect	X	Write to the president

ACTIVITIES

Titles	Lexile	Geography	Vocabulary	Text Structure (TS)	Summary Paragraph	Procedural Text
		<i>Complete and label parts of a map</i>	<i>Graphic organizer for the Tier 2 and 3 words</i>	<i>Graphic organizer for text structure mini-lessons</i>	<i>Use TS graphic organizer, word table, frame</i>	<i>Work cooperatively to complete simple project</i>
Box 2.3						
How Organisms Get Energy	550	U.S. map	decay, fungus, nutrient, photosynthesis, balance, convert, predator, scavenger	Sequence	X	Food chain game
Dorothea Lange	550	U.S. map	contract, limp, studio, local, report, pose, encounter, deny	Topic and Details	x	Design an art gallery
Inventors	560	U.S. map	credit, crank, etch, groove, compete, profit, traditional, access	Compare and contrast	X	Powering a light bulb
Movement of the Earth	580	Solar system	support, surface, revolve, magnetic, notice, decision, mysterious, location	Topic and Details	X	Building a sundial
Making a Quilt	590	Quilting chart	fabric, thread, piecing, batting	Story Structure	x	Draw and write about favorite part of story
The Golden State	590	U.S. map	crop, desert, poppy, temperature, factory, nature, produce, seaport	Topic and Details	X	Panning for gold
John Steinbeck	590	U.S. map	struggle, ruin, cannery, sardine, novel, feud, humble, delve	Sequence	X	Write your own novel
Laws and Rules	600	U.S. map	state, Constitution, fair, traffic, judge, jury, lawyer, jail	Topic and Details	x	Write rules to favorite recess game

ASSESSMENTS

Titles	Lexile	HFW Checklist	Fluency	CLOZE	Text Dependent Questions	Comprehension Check
		<i>Fry's 1000 Instant Word groups*</i>	<i>One-minute timed oral reading check</i>	<i>Fill in missing words to summary of book.</i>	<i>Use evidence from text to support answers</i>	<i>5 multiple choice questions</i>
Box 2.1						
Rain Forest	320	Group 10 Words (226-250)	X	X	Inference Details in text Reasons/Evidence	X
Family Tree	420	Group 10 Words (226-250)	X	X	Inference Details in text	X
Life of a Butterfly	430	Group 11 Words (251-275)	X	X	Details in text Relationships in text Connecting	X
Fu Fu and the Earthquake	430	Group 11 Words (251-275)	X	X	Details in text Characters, setting, events	X
Prehistoric Animals	460	Group 12 Words (276-300)	X	X	Words and phrases Details in text Relationships in text	X
Freedom Landmarks	480	Group 12 Words (276-300)	X	X	Inference Details in text	X
Solid, Liquid, Gas	480	Group 13 Words (301-325)	X	X	Details in text Relationships in text	X
Stored Energy	490	Group 13 Words (301-325)	X	X	Details in text Relationships in text	X

**High frequency word groups align to Fry's 1000 Instant Words groups (25 words/group).*

BEYOND THE BOOK

Titles	Lexile	Model It	Record It	Show It	Draw It	Speak It	Write It
		<i>Build, create, make</i>	<i>Create videos, podcasts</i>	<i>Whiteboard, graphics</i>	<i>Draw, illustrate, label</i>	<i>Speak in front of a group</i>	<i>Write, list, design</i>
Box 2.1							
Rain Forest	320	3D model of rainforest trees	Explain the importance of the largest tree	Summarize and show each level	Levels of the rainforest	Talk about keeping the rainforest safe	Poster on the need to keep the rainforest safe
Family Tree	420	Family tree	Central idea of the book. Read key details	Help readers understand the story better	Members of family	Support an opinion	Locate sentences that tell about important papers
Life of a Butterfly	430	The life cycle of a butterfly	Explain the migration of monarchs in front of map	Illustrate key details	Diagram on the life cycle	Restate the author's opinion	Poem using details from the text
Fu Fu and the Earthquake	430	3D model of Fu Fu	Recount the beginning, middle, end	List the effects of earthquakes	Effects of earthquakes on the reserve	Explain how caretakers could lessen the effects	Fictional and nonfictional parts of story
Prehistoric Animals	460	Model of dinosaur	Details from text about how dinosaurs may have disappeared	Show how Archaeopteryx is like a robin	Diagram on how reptiles have adapted over time	Restate ideas about the disappearance of dinosaurs	Essay on turtles on tortoises
Freedom Landmarks	480	Model of favorite landmark	State central idea of book supporting with details from text	Help readers understand the story better	Select a landmark and map location	Summarize as the Statue of Liberty	Questions from text with answers
Solid, Liquid, Gas	480	Model of water molecule	Show examples of solids, liquids, gases	Advertise the traits of solids, liquids, gases	Items that are solids, liquids, gases	Select a page to read as a fluent speech	Dictionary entry for solids, liquids, gases
Stored Energy	490	Model of invention	Five things that use fuel	Poster on saving energy	Items in room that use energy	Read the completed CLOZE as a speech	Acrostic poem with the word "energy"

BEYOND THE BOOK

Titles	Lexile	Model It	Record It	Show It	Draw It	Speak It	Write It
		<i>Build, create, make</i>	<i>Create videos, podcasts</i>	<i>Whiteboard, graphics</i>	<i>Draw, illustrate, label</i>	<i>Speak in front of a group</i>	<i>Write, list, design</i>
Box 2.2							
Fossils	500	Model of a fossil	Explain the job of a fossil hunter	Diagram explaining how a fossil is made	Imaginary dinosaur with interesting features	Agree or disagree on what can be learned from fossils	Essay on why not all animals become fossils
Roller Coaster	510	Model of roller coaster	Interview others about experiences of the central idea of the book	Advertise the thrills of riding a roller coaster	Design a ride for an amusement park	Select a page to read as a fluent reader	Predict what might happen the next time Maria rides a roller coaster
Nikko's Adventure	510	Clay model of dragon character	Interview friends about using imagination	Tell about a character in the story	Picture about Nikko's next adventure	If you were the dragon in the story...	New adventure for Nikko and the princess
Martin Luther King, Jr.	520	Clay model of MLK's likeness	Demonstrate understanding of the central idea by retelling key details	Use text features to list key facts about MLK	Three of MLK's dreams from "I have a dream" speech	Read another book about MLK, then compare and contrast	Speech about what peace meant to King
Stars	520	Model of a constellation	Tour of night sky and summarize main ideas from the book	Chart of constellations in the sky at the same time	Night sky and a fictional constellation	Read the completed CLOZE as a speech	Job description for an astronaut
Three Billy Goats	520	Model of setting	Explain character traits of each goat	Write the repeated words from story and explain why	Use the tune "The Farmer in the Dell" to retell the story	Give an opinion of the message of the story	Questions from text with answers
Pablo's New Guitar	530	Model of Pablo's guitar	Ways to produce sounds using everyday things	Compare and contrast Pablo's guitar with the ukulele	A favorite instrument	Tell about the most important idea the author is making to the reader	Another solution to Pablo's problem
Abraham Lincoln	550	Model of Abraham Lincoln	Tell the leadership traits shared with Lincoln	Map of where Lincoln lived and visited	With others, sing a Civil War song to the class	Recite a Lincoln speech	Poem on honesty is the best policy

BEYOND THE BOOK

Titles	Lexile	Model It	Record It	Show It	Draw It Sing It	Speak It	Write It
		<i>Build, create, make</i>	<i>Create videos, podcasts</i>	<i>Use whiteboard, maps, charts, diagrams, etc.</i>	<i>Draw, illustrate, label, sing</i>	<i>Speak in front of a group</i>	<i>Write, list, design</i>
Box 2.3
