**Directions to Teacher**

Students read the words from their word list found at the back of their student book. As they read, place a "+" mark for each correctly read word and a "-" mark for each word read incorrectly. Students must read words automatically (1-2 seconds) to be counted as correctly read. To avoid frustration, stop the check after students miss 5 words. Record the score in the score box.

**Group 5 #101-125**

- |     |                              |              |                              |              |                              |             |                              |              |                              |            |                 |

 Number of  
Words Correct

SCORE BOX

Name \_\_\_\_\_

**Directions**

Practice reading this passage with your teacher, a partner, and on your own. Take a one minute timed reading. Count up the number of words read correctly and enter your score into the speech bubble. Your goal is to read up to, or beyond, the number of words indicated by the goal line.

This is Art. 3

He is a delivery truck. 8

Art goes to many different places. 14
